PANDA

BLAIRGOWRIE

Panda Blairgowrie is fashioned around the simple concept of sharing. The sharing of food, wine, laughter and good vibes. Panda Blairgowrie is situated just over an hour from Melbourne and is located on one of Australia's most celebrated regions, the Mornington Peninsula. This is where we source as much of our produce as possible, for both our function menu and beverage list.

Functions at Panda Blairgowrie

Panda consists of a main dining room and has the added addition of a separate front outdoor seating area, and coming in summer, an additional back courtyard.

Whilst we are able book both the outdoor areas exclusively, in case of poor weather conditions we do book part or all of the whole restaurant as a back up. This is why a deposit will be required for larger events.

We try and lock in the exact area of the event at least one week out when we know the weather forecast.

The venue is ideal for seated events as small as 10 or up to 65, as well as cocktail events of up to 80, though over the warmer months can have 100+ if using both inside and outside of the venue.

Breakfast events can be quoted upon request.

Event Coordination

One of Panda Blairgowrie's owners, Nicole, is an award winning wedding coordinator through the Australian Bridal Institute of Australia, who will be with you through your steps of planning.

Nicole will be available to assist with events booked through Panda and liaise with recommended suppliers and set up options.

Her awards include;

2016 Wedding Venue of the Year (VIC)

2017 Wedding Venue of the Year (Aus)

2017 Wedding Coordinator of the Year (VIC)

Duration of Event

Private events booked at Panda have use of the booked space for up to 5 hours duration. Functions must begin no later than 7pm and are required to finish no later than 11pm. Please note that all outdoor areas close at 10pm, so the function must continue inside the venue after this time. For breakfast events, we need the venue back by 11.30am, and for brunch and lunch time events, we require them to finish by 4pm.

Entertainment

We understand that the entertainment you bring to your event is integral to the success of the occasion. While people often choose to have a DJ, some prefer to engage a band.

Both forms of entertainment can be booked, however we request that you consult with us before booking a band. Rarely do we have an issue with the volume, however, if the noise level becomes excessive we may require that the volume be lowered.

Menus

Our function menus are closely based around our dining menus and sourcing top produce is very important to us.

It is important that you advise us of any special dietary requirements and equally important that we cater for these.

We will also take great lengths in assuring that any alterations and dietary requirements be made to suit the style of function, but please understand that changes may incur costs.

We are accustomed to providing vegetarian, vegan, gluten-free (coeliac) and allergy specific meals, not preference specific.

Deliveries, Suppliers & Decorations

Please ensure that all deliveries and suppliers arrival for your event are arranged with the venue prior to delivery.

Please note that there is no storage available at Panda, so all decorations and gifts must be packed down and taken at the end of the night.

There is limited street parking along The Loop, Blairgowrie. Please be mindful that this is a residential area so guests are to remain respectful on arrival and leaving the venue.
